Meet The Team

Dave Shaw Dog Training : Wits End Kennels

When your dog needs the best of the best

Dave: The Leader of the Pack

“You have to have your heart in your business and your business in your heart” and Dave certainly lives and breathes this. A true gentleman with an undying passion for man’s best friend.

Personal Dog of Choice – German Shepherd Dog (although has recently developed an unspoken love for cute, little fluff balls as

well) 😊

Gail: “Behind every great man is an even greater woman” Gail is the true strength of the business and is solely responsible for keeping Dave on the straight and narrow.

Good Luck with that Gail!!

**Personal Dog of Choice –
German Shepherd or
Cavachon – Only females
allowed!**

Tracey: Champion to all rescue dogs. “Saving one will not change the world but for that one dog, the world will change forever” With years of experience, Tracey is our “go to girl” – full of helpful advice and handy tips – there’s not a lot that she hasn’t seen before.

Personal Dog of Choice – German Shepherd (anyone else noticing a common theme here?)

Declan: Or DDD as we call him truly believes “any dog, regardless of breed, is only as dangerous as the owner allows it to be” Ever patient and calm Declan has an ability to form the strongest of bonds with even the most reactive of dogs.

Personal Dog of Choice – Rottweiler, what else would a dangerous dog specialist say?

Sarah: Our small dog and grooming specialist. “It’s not the size of the dog in the fight, it’s the size of the fight in the dog”. Sarah enjoys nothing more than some one on one, pampering time in the groom room (for the dogs – not her!) Personal Dog of Choice – I love all dogs – I simply couldn’t choose one breed over another.

Jess: “Having your dog away from home is most difficult at the weekends....and on Tuesdays, oh and on Wednesdays and actually all the other days in between as well”. Your loss is Jess’ gain as she spends all her time looking after our most wonderful boarding and day care dogs!

Personal Dog of Choice – Border Collie every time ❤️

Ruby: Is the puppy of our pack, entrusted to us like a small pup and with gentle praise, patience, training and encouragement we will watch her grow and develop into adulthood. (Hopefully missing out the rebellious teenage phrase!)

Personal Dog of Choice – Flat Coat Retriever but I'd settle for ANY dog!

(She did NOT manage to fit those two pups into her bag when she left the kennels that day!)

Dave: Maintenance Dave is a real life Action Man. “I’ll action that ... I’ll get onto that straight away ... I’ll action that ... I’ll do that right now ... Anything you need? ... Anything you want? ... I’ll action”

Personal Drill of Choice – Got to be the Black and Decker, the one with the new improved action!

Sharon: The newest recruit to our pack! As our Office and Bookings Manager she has got lists here and lists there, short term lists, long term lists and to do lists. Let's hope they make sense to her! She'll be there to meet you, to greet you, to welcome your dogs and does it all with a smile and a cuppa!

**Personal Dog of Choice –
Newfoundland – Go big or go
home!!**

Abbie : Just can't stay away! Despite having a young family to look after Abbie devotes every weekend to us and your dogs. How lucky are we? Personal Dog of Choice – (This makes Abbie even more special!) She simply adores working with the rescue dogs and any dogs with challenges to overcome.
